Aqua Art Miami celebrates its 2014 edition this December – marking the fair’s 10th Anniversary and its second since joining the Art Miami LLC family of fairs. One of the top showcases for emerging art, the boutique fair supports a wide range of 46 young and established galleries with strong emerging and mid-career artists. Set within the unique art fair setting of a classic South Beach hotel, the fair is just a short walk away from the convention center and features spacious exhibition rooms that open onto a breezy, intimate courtyard.

The 10th Anniversary edition will showcase a number of special projects, including a number of solo artist exhibitions, an immersive design project by Industry Gallery within the hotel penthouse, an interactive installation *Advice Station* by MK Guth presented by Elizabeth Leach Gallery, and performance innovations by Karen Finley sited within Coagula Curatorial’s video lounge, among others. Joining an increasingly diverse and distinguished array of international exhibitors, Aqua Art Miami 2014 is sure to be a favorite gathering spot for collectors, curators and art-lovers to discover fresh talent and acquire new works during Art Week.
